

Savings

A woman with dark hair and bangs, wearing a dark blue blazer over a white collared shirt, is shown from the chest up. She is looking off to the right with a thoughtful expression. The background is a light-colored wall with a grid pattern and circular indentations.

**how to
make my
capital grow
without risk?**

Is my capital protected permanently?

Is my money available at any time?

Is my stated yield gross or net?

**AXA answers your questions
and is committed!**

Borea Invest 30 Neo

the other reflex for your savings

Borea Invest is an attractive insurance-savings plan that guarantees availability and transparency.

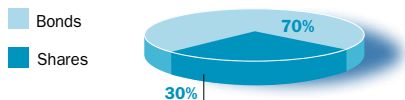

Borea Invest 30 Neo is intended first and foremost for savers preferring safety in the management of their capital by protecting the accumulated savings.

Safety

Is my capital protected permanently?

Your capital is protected **permanently** from the very start and you can receive a bonus every year based on the results of the **Borea Invest 30 Neo**.

Maximum possible exposure in shares

Your capital is invested prudently, mainly in European State bonds and with maximum 30% as shares.

Regardless of the progress of these assets, your savings **are protected permanently** through the AXA Group guarantee.

availability

Is my money available at any time?

Your capital is available at any time. You can **withdraw** or **pay in at will** ⁽¹⁾.

(1) Please consult the procedures and minimum buy-out amounts in the Financial Info Sheet on www.axa.lu

transparency

Is my stated yield gross or net?

For greater transparency, the **Borea Invest 30 Neo** stated yields are **net of management costs**: these are the yields you actually receive.

Borea Invest 30 Neo is a new guaranteed **capital fund** that will reflect actual performances of financial markets.
